Deadline and Procedures

* = Required Field

DEADLINE AND PROCEDURES

Key:

✓ = Section Complete

✗ = Section Incomplete

Abstract submissions will be accepted through Friday, 23 April 2010 at 11:59 PM EDT. Acknowledgement of receipt will be sent to the Submitter's email upon completion of the submission form.

The Local Host and Scientific Organizing Committee will review all abstracts and decide whether a submission will be accepted, and if so, the form of presentation. The Organizing Committee plans to notify submitting authors of acceptance and form of presentation by Wednesday, 23 June 2010.

If you have questions or need assistance with your submission, please contact the Conference Coordinator, Karly Kopra, by email at Karly@ConferenceSolutionsInc.com or by telephone at 1-503-244-4294 ext. 207.

ABSTRACT SUBMISSION FORMAT

- Abstracts should be submitted in English using single-line spacing. If possible, submit abstract text in Microsoft Word.
- Abstract titles should be written in sentence case and are limited to 150 characters.
- Abstracts must not exceed 300 words.
- Abstract should be submitted by the presenting author.
- Results and conclusions must be included; it is not acceptable to state that results will be presented.
- Abstract text **must** be divided into the following sections: Background, Methods, Results, Conclusion.
- Do not include section titles (Background, Methods, Results, Conclusion) in abstract text. Titles will be automatically inserted during the production of the abstract book.
- Complete one abstract submission before you submit another.
- Abstracts should be text only; do not include photos, tables or other images.
- Generic (not trade) names for drugs should be used and written in full (not denoted by initials).

- Dosing regimens should be written in full. For example, CFU should be written as Colony-forming unit.

Permissions

This section MUST be completed by the Presenting Author on behalf of all authors.

I agree that, if accepted, my abstract will be published in the AIDS Vaccine 2010 Conference Materials and online with AIDS Research and Human Retroviruses.

*Signature (type name) of Presenting Author

Contact Information for Presenting Author

* = Required Field

Please do not enter information in all capital letters. Use capital letters only where necessary.

If your abstract submission is accepted for presentation at the Conference, the information you provide will be published in the AIDS Vaccine 2010 Conference materials and online with AIDS Research and Human Retroviruses.

If you selected to add an additional author in error, please use the back button on your browser's tool bar to return to the author's page and continue your submission.

Abstract Information

* = Required Field

Please do not enter information in all capital letters. Use capital letters only where necessary.

*Category

*Title

Characters Remaining

Title is limited to 150 total characters, including spaces and punctuation.

Text only - Do Not Include Title or Authors

Do not include section titles (Background, Methods, Results, Conclusion) in abstract text. Titles will be automatically inserted during the production of the abstract book.

NOTE: Cut and paste your Abstract into the space provided. This is a plain text field. Superscript and subscript text must be inserted by using the buttons below.

* For superscript or subscript text, with cursor in the place you wish to begin, select the appropriate 'on' button, click in the field to type the text, then select the corresponding 'off' button. Be sure to push the 'off' button before continuing to input text. The superscript or subscript codes will show in the input field, but will not appear in the saved Abstract.

*** Your abstract is limited to a total of 300 words. Characters are counted per field. Word count is cumulative for all fields in this section.**
