

AIDS VACCINE 2011 CONFERENCE – BANGKOK
Gathering Sexual Risk Information in HIV Biomedical Prevention Trials –
An Offering of Best Practices
 Sept. 12, 2011 - 12 noon to 3:30 pm
 Lotus Suite 3

Lunch and tea will be available during the Satellite

Time	Session Description
12 noon (35 mins total)	Introduction
5 mins	Why we're here and what we hope to accomplish together Chair: Margaret M. McCluskey - USAID
10 mins	Session Overview – Gaudensia Mutua, KAVI , Nairobi, Kenya <i>What information do we need from sexual risk assessments in HIV biomedical research? And what are the implications of not getting it right?</i>
10 mins	Sexual Risk Assessments Outside of Clinical trials – Samples from current literature Timothy Mah, United States Agency for International Development <i>(Handout of titles, abstract & authors will be made available)</i>
10 mins	SRAA Storytelling: Hannah Kibuuka from Makerere University Walter Reed Project (MUWRP), Uganda
12.35 pm (85 mins total)	“Asking the right questions” Chair: Cate Hankins - UNAIDS <i>Examples of how accurate information on sexual behaviors has been elicited in research settings? What tools/methods seem to have worked and what tools/methods are not useful? Examples, anecdotes, experiences and insights from the clinics and practitioners engaged in HIV prevention research across the globe.</i>
10 mins	Conducting sexual risk activity assessment among MSM, transgenders and male sex workers in Thailand: Lessons learned from a sociobehavioral study of biomedical HIV prevention Peter A. Newman, Suchon Tepjan, Surachet Rongprakhon, Sung-Jae Lee - University of Toronto, Factor-Inwentash Faculty of Social Work, Toronto, Canada.
5 mins	Active Listening: Being Available to Their Stories – Examples from the VAXGEN 004 Trial Johns Hopkins University, Center for Immunization Research Cohort Margaret M. McCluskey - United States Agency for International Development, Brenda D. Larkin, LaSonji Holman - Vaccine Research Center, U.S. National Institutes of Health, Bethesda, MD, U.S.

5 mins	<u>Vignette:</u> Getting to the truth – Interviewing with Heart
10 mins	Overview on the use of PC and hand-held devices for data collection of sexual risk and other sensitive behaviors in Thailand Philip A. Mock and Frits van Griensven - Thailand MOPH - US CDC Collaboration, Bangkok, Thailand
10 mins	Using Daily Text Messaging (SMS) to Collect Sexual Behavior Data: Lessons Learned from an Intermittent PREP PrEP Trial David Mark - International AIDS Vaccine Initiative (IAVI) Nairobi, Kenya
10 mins	ECHO experience using an ACASI questionnaire with potential volunteers at higher risk for HIV infection. Puangmalee Buapunth , Kanya Pumratana, Michael Benenson, Patricia Morgan - USAMC-AFRIMS, Bangkok, Thailand
10 mins	From the Voices of Volunteers: Factors influencing risk assessment response among RV144 participants: A report Jittima Dhitavat , C Tanasugarn, S Rerks-Ngarm, P Morgan, V Ngauy, JH Kim, ML Robb, P Pitisuttithum – Thailand
10 mins	Visual sexual behavioural and partner diaries applied to African MSM Adrian Smith - Oxford University, UK & KEMRI, Kilifi, Kenya (<i>Presenter TBD</i>)
10 mins	Development of a robust sexual behaviour tool to quantify and compare HIV serodiscordant couple cohorts; CHAVI 002 study: The balance between HIV exposure and infection Sarah Fidler - Imperial College, London, UK (<i>Presenter TBD</i>)
5 mins	Discussion
2.00pm 10 mins	Tea Break – Amidst the snacks will be a ‘sampling’ of sexual risk assessment tools
2.10pm (65 mins total)	“All is not what it seems...” Chairs: Glenda Gray - PHRU & Brenda Larkin - VRC <i>Examples of environment related practices and anecdotes that have either enhanced or impeded data collection and lessons learned/recommendations from these experiences. Reports on feedback from past volunteers’ on experiences and insights in SRAA. Examples, anecdotes, experiences and insights from the clinics engaged in HIV prevention research across the globe – consider photo-essays,</i>

videos, presentations, etc.

10 mins

Sexual Risk Assessment Observations in Uganda

Lillian Mutengu-Kasirye, **Monica Millard**, **Hannah Kibuka** - Makerere University Walter Reed Project (MUWRP), Uganda

10 mins

From the Voices of Volunteers:

“It starts at reception”: Creating an enabling environment for accurate risk reporting and assessment: Recommendations from the HVTN 503/Phambili Study participants at the Perinatal HIV Research Unit

Janan Dietrich, **Tebogo Magopane**, Phindile Maesela, Matamela Makongoza & Glenda Gray - Perinatal HIV Research Unit, Johannesburg, South Africa

10 mins

Sexual Risk in Adolescents: Talking the Talk

Linda-Gail Bekker, **Katherine Young** - University of Cape Town/The Desmond Tutu HIV Foundation, South Africa

10 mins

SRAA Practices at the Vaccine Research Center, U.S. National Institutes of Health

Laura Novik, Brenda D. Larkin, Barney S. Graham, Julie E. Ledgerwood - Vaccine Research Center, U.S. National Institutes of Health, Bethesda, MD, U.S.

10 mins

The ECHO Center environment – A Pictorial

Puangmalee Buapunth, **Kanya Pumratana**, Michael Benenson, Patricia Morgan - USAMC-AFRIMS, Bangkok, Thailand

10 mins

Sexual Risk Assessment in Rural Kenya: Experiences from RV 217b

Kathleen Rono - KEMRI/Walter Reed Project, Kericho, Kenya

5 mins

Discussion

3.15 pm

(15 mins total)

“What’s Been Done and the Way Forward”

Chair: Sagri Singh - IAVI

5 mins

- SBR workshop report out - **Edith Swann** - VPR/DAIDS/NIAID/NIH/DHHS

5 mins

- HANC report out **Amy Ragsdale** - Office of HIV/AIDS Network Coordination (HANC)

5 mins

Call for further research - Wrap up & next steps

This session is co-organized and sponsored by: Host Institution(s): US Agency for International Development (USAID); International AIDS Vaccine Initiative (IAVI); UNAIDS; US Military HIV Research Program (MHRP); Vaccine Research Center (VRC/NIAID); Perinatal Health Research Unit (PHRU), Mahidol University, and Division of AIDS (DAIDS/NIAID).

Session Chairs: Margaret M. McCluskey (USAID); Sagri Singh (IAVI); Catherine Hankins (UNAIDS); Glenda Gray (PHRU); Anjali Kunz (WRAIR/MHRP), Patricia Morgan (USAMC-AFRIMS); Brenda Larkin (VRC/NIAID); Punnee Pitisuttithum, Jittima Dhitavat (Mahidol University); Edith Swann (DAIDS/NIAID).
